Learn about our Cookies

Kyowa Kirin International (also referred to as "KKI", "we" or "us") uses cookies to provide you with a good experience when you browse this website. The website uses only essential cookies. Without these cookies, the website cannot function.

A cookie is a very small text document, which often includes an anonymous unique identifier. Cookies are created when your browser loads a particular website. The website sends information to the browser which then creates a text file. Every time the user goes back to the same website, the browser retrieves and sends this file to the website's server. Find out more about the use of cookies on www.allaboutcookies.org.

If you would like more information about our privacy practices, please consult our Privacy Notice.

What cookies do we use and what information do they collect?

Required cookies: these cookies are required to enable core functionality. Without these cookies, services you have asked for, like adding items to your shopping basket, cannot be provided. If you disable these cookies certain parts of the website will not function for you, for example being able to download resources from our site.

The table below explains the cookies that we use and why:

Cookie	Name	Purpose
Antiforgery Cookie	AspNetCore.Antiforgery	**Essential** This cookie is used to prevent Cross-Site Request Forgery attacks.
Authentication Cookie	AspNetCore.Cookies	**Essential** This cookie is used to authenticate the user for login
Load balancing Cookies	ARRAffinity ARRAffinitySameSite	**Essential** These cookies are used to distribute traffic to the website on several servers in order to optimise response times. These cookies are provided by Microsoft, whose privacy notice you can access here.

We also use cookies for Google's reCAPTCHA during the user verification process, to protect our website from fraud and abuse. reCAPTCHA is provided by Google. You can find out more about reCAPTCHA here or consult Google's Privacy Notice here.

You can reject cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) parts of the website will not work as this website uses only essential cookies.

How do we manage these technologies?

We keep information collected from cookies for a maximum of 6 months.
